Wade,

I think we need to expand this to allow the ToD to direct that at our request, that animals are dropped off at the NHSPCA per our contract with NHSPCA instead of Plaistow only. I believe their rates are cheaper. I would support having only Plaistow if they match the NHSPCA rates.

S

#6

Any animal found at large outside the premises or property of the owner and within the Town of Danville may be restrained and impounded at the Plaistow Town Kennel by the Plaistow Animal Control Officer. Pursuant to Plaistow Ordinance, any owner claiming an animal impounded at the Plaistow Town Kennel shall pay to the Town of Plaistow a boarding fee as set forth below:

Boarding: \$35.00 per calendar day per animal.

Quarantine Boarding: \$50.00 per calendar day per animal.

These fees are payable to the Town of Plaistow and shall be paid at the Plaistow Police Department prior to retrieving the animal from the kennel. These fees do not preclude any other fees, fines, or forfeitures associated with the impounding or boarding.
